last quotations we can advance fully %c The change is ascribed to news that came by the steamer to-day, which places the market in a more favorable position than was anticipated, the estimates of the quantity of the old crop remsining in Brazil, as well as of the growing cropbeling reduced decidedly. From second hands there is an active business doing, and there undoubtedly would be from first hands, were importers in possession of any amount of stock. We notice sales of 4200 bags Rio ex Alpha: 535 bags doex Humbold, and in Baltimore 101: bags doex Mordway. MONEY CANNOT BUY IT! BUT THE DIAMOND SPECTACLES

The DIAMOND GLASSES, manufactured by J. E. SPENCER & CO., New York, which are now offered to the public, are pronounced by all the celebrated Opticians of the world to be the most Perfect, Natural Artificial help to the human eye ever known. They are ground under their own supervision, from minute Crystal Pebbles, melted together, and derive their name, "Diamond," on account of their hardness and brilliancy. The scientific principle on which they are constructed brings the core or centre of the lens directly in front of the eye, producing a clear and distinct vision, as in the natural, healthy sight, and preventing all unpleasant sensations, such as glimmering and wavering of sight, dizziness, &c., peculiar to all others in ose.

peculiar to all others in dse.

They are mounted in the finest manner, in frames of the best quality, of all materials used for that purpose. Their finish and durability cannot be surpassed.

CAUTION.—None genuine unless bearing their trade mart starmed on agent frame. trade mark stamped on every frame.
